

Eh-Oh!

Time to Make Dipsy's Hat

Quick and easy to make with your little one.

MATERIALS

- White paper plates
- White card (we used 2 x A4 sheets)
- Scotch Tape
- Paper clips (optional, we used these to hold the card in place)
- Scissors (Little ones should have supervision and help with activities using scissors)
- Paint (black if making Dipsy hat spots or any colors for Tubby colorful fun)
- Paint brush (if you don't have one, use your fingers)

Children should have supervision
and help when using scissors.

TOP TIP:

Why not experiment with colors and different materials? Add glitter or different colors to your hat.

INSTRUCTIONS

1

Take your paper plate and two sheets of white card and cover them in black painted splats and spots. Use a paint brush or fingers.

2

Wait for your paint to dry and cut out a large circle on your paper plate.

3

Take your two sheets of card and using a paper clips to hold them in place make a cylinder. Use the hole in the paper plate as a guide. Once you're happy with the shape, tape the card in place and remove the paper clips.

4

Turn the paper plate upside down and attach the card cylinder to the plate using tape to secure.

5

Turn the right way up and your Teletubbies Dipsy Hat is ready to wear!
